Meeting Open to the Public for Brief Comment

This is the time for you to make comment on an issue with the Planning Commission. Comment can be made on an agenda item, or a non-agenda item. All public comment will be taken at this time (only).

The Chairperson will ask if there are any comments from the public. If you wish to be heard, please raise your hand. After being recognized by the Chairperson, please state your name and address for the record and then make your comment.

If your public comment is regarding an agenda item, that agenda item *may* be moved forward in the communications section of the agenda. This is done as a courtesy for those in attendance that have a special interest on a specific agenda item.

Public Comment will *only* be taken during this time. When all public comment is heard, the Chairperson will state that the meeting is closed to public comment.

Note: Because of the amount of business being done and the length of the agenda, it may be necessary for the Chairperson to limit public comment, generally three (3) minutes or less.
