

## HOMEOWNERS ELECTRICAL PERMIT AFFIDAVIT

I, \_\_\_\_\_, hereby certify that I am the homeowner and occupant of (or intend to occupy) the residence located at the address \_\_\_\_\_, located in the City of Sylvan Lake. All electrical work relating to the installation of pertaining to wiring, fixtures, and equipment will be completed promptly and inspections ordered in a timely manner in accordance with The Michigan Residential Code, and the City's Code of Ordinances.

**The following provisions shall also apply:**

1. The permit must be secured before work begins.
2. The homeowners, himself/herself, shall perform the work of installation.
3. No Electrical work is to be concealed before inspection.
4. Upon notification of a life-safety electrical issue, as determined by Bloomfield Township Electrical Inspector, a request will be made of the electric utility to disconnect the service until the appropriate corrections are completed and approved.
5. Work shall conform to The Michigan Residential Code.

It must be further understood that the work done under this permit is the sole responsibility of the homeowner. If, upon an inspection, it is found that the homeowner is not qualified to complete the work, the Electrical Inspector may require that a licensed electrical contractor be engaged for the completion of the work.

Should persons other than the owner or his/her licensed contractor, be found to be working on this project, the Electrical Inspector will order to cease and the services of a licensed contractor be engaged for completion.

Upon notice that the work is completed, the Electrical Inspector will make an inspection and authorize utility connection, if approved.
